Keturah up for top gong

➤ A FREMANTLE business has been recognised for its work with two nominations at the upcoming Australian Beauty Industry Awards.

Fremantle Keturah Day Spa has been nominated for Best Day Spa and Best Marketing at the event, which celebrates excellence in the beauty industry. Keturah Day Spa group director Jemma Stergiou said it was the second year running they had been nominated for Best Day Spa. "This achievement would be a tribute to all of our talented staff across our group for all their hard work and commitment to the industry," she said. "We are very delighted and grateful to be nominated again this year for two such significant categories.

"We get many international and national clients visiting us."

The awards will be presented in August.
