Endermologie & Lipomassage for Cellulite Reduction

LPG Lipomassage by Endermologie is the #1 cellulite and fat reduction treatment worldwide and is available at Keturah **Nedlands**. After 6 sessions you will see visible results.

LPG Lipomassage is used to:

- Slim Down Fat Cells and permanently eliminate stubborn fat that is resistant to exercise and dieting.
- Smooth Cellulite
- Firm the Skin
- Re-sculpt the Figure
- Rejuvenate Scar Tissue
- Improve Circulation
- Reduce Fluid Retention
- Revitalise a Sluggish Metabolism Use

Who is it for:

- Despite weight loss diets, cannot seem to get rid of “saddlebag thighs”, “banana bulges”, fat deposits with cellulite dimples.
- Are thin and practice a healthy lifestyle, yet suffer from cellulite dimples, fat deposits or flabby skin.
- Despite using cosmetics, can't remove thick, orange peel skin.
- Would like risk-free and painless results without undergoing surgery.
- Have been able to stay thin over the years, but have not been able to avoid the sagging, thinning skin of advancing age.

PACKAGE include a 1 off complimentary Body Stocking that is worn during your treatment, use of our Far Infrared Sauna prior or after your Treatment; and a full body assessment. If only purchasing a single treatment you are required to purchase an Endermologie Body Stocking (\$50)
